

CHAMPIONS FOR CHILDREN

April 17, 2026 | 7:30AM | The Westin Richmond

Do you have a guest who is unable to attend?

They can still support the event!

Guests who cannot attend the Breakfast can still support the effort by making a gift. Please find some language you can use to follow-up with guests who cannot attend below. They can support the Breakfast (and their gift is counted toward your table) by filling out a pledge form or by giving online with the QR code or via the link below.

“Thank you for your interest in supporting World Pediatrics’ Champions for Children Breakfast. I’m sorry you will not be able to join me at the event, but I really appreciate that you wish to support World Pediatrics’ families. Your support will count toward my table and the overall effort; please find a special Breakfast link to give online [HERE](#).”

More children have access to critical pediatric surgical care in less time because of support from friends like you. Thanks again for your interest!

Sincerely,

P.S. If you have any questions about World Pediatrics or the Breakfast, please feel free to contact **Alyssa McBride**, Executive Director of Development at AMcbride@worldpediatrics.org or 804.282.8830.”

Thank you for making this option known to your guests.
