## SAMPLE SCRIPTS TO INVITE GUESTS

### VIA PHONE

“Hello, I’d love to invite you to join me at my table for the Champions for Children Breakfast benefiting World Pediatrics. It’s a free, one-hour breakfast that honors the incredible medical volunteers whose compassion and expertise have healed children for 25 years.

The program will share the impact of World Pediatrics’ work, celebrate this milestone anniversary, and look ahead to the next 25 years and beyond. It is a fundraiser, and guests will be invited to consider making a contribution—there’s no minimum or maximum gift. The goal is simply to inspire people through the mission and the stories.

More than anything, I’d love for you to come and learn about the amazing work happening at World Pediatrics. I would be delighted if you’d join me.”
