

CHAMPIONS FOR CHILDREN

April 17, 2026 | 7:30AM | The Westin Richmond

Dear Table Host,

Thank you for being an integral part of the World Pediatrics Champions for Children Breakfast. Your willingness to serve as a Table Host plays a vital role in the success of this meaningful event.

Champions for Children is a fundraising breakfast that honors the extraordinary medical volunteers whose compassion and expertise have healed children for 25 years. As we celebrate this milestone anniversary, we reflect on how their dedication built a global model of care—one that now positions World Pediatrics for the next 25 years and beyond.

As a Table Host, you are a trusted advocate for our mission. Your voice—sharing the impact of our work and inviting others to join you—helps build the sustainability needed to serve children in the most vulnerable circumstances. Together, we are advancing life-changing medical care, developing sustainable solutions, and strengthening local health systems around the world. In this special 25th anniversary year, we are grateful to have you and your guests with us as we elevate World Pediatrics' mission across the Richmond community. Your leadership truly makes a difference.

Please see the following page for a QR code linked to resources. These are designed to support you in your role as a Table Host. You'll find helpful links and materials, and you can expect regular communications from our team with updates and encouragement along the way.

If you have any questions, we are always here to help. Please feel free to contact Alyssa McBride at amcbride@worldpediatrics.org or 804.432.7713.

Thank you for your dedication to World Pediatrics—you are an essential part of our global family.

With sincere gratitude,

Patrick Duke
Chair, Richmond Chapter Board

Alyssa McBride
Executive Director of Development - Richmond

CHAMPIONS FOR CHILDREN

April 17, 2026 | 7:30AM | The Westin Richmond

EVENT SUMMARY

On Friday, April 17, World Pediatrics will host a new fundraising event—the Champions for Children Breakfast. This free, one-hour breakfast honors the extraordinary medical volunteers whose compassion and expertise have healed children for 25 years. The program will highlight the organization’s impact, celebrate this milestone anniversary, and invite the community to help advance World Pediatrics’ mission into the next 25 years and beyond.

We anticipate welcoming 200 guests from across the community, each personally invited by Table Hosts who fill tables of ten. During the program, guests will experience the heart of World Pediatrics through stories shared by medical volunteers, supporters, and patients whose lives have been transformed. At the conclusion of the breakfast, attendees will be invited to support the mission through one-time gifts and multi-year pledges, helping ensure lifesaving care for children for generations to come.
